TA: 6.4 g/L
CASE PRODUCTION (9L): 1,000 cases
CASE PACK: 12 X 750ML
RELEASE DATE: 6/1/2014
SUGGESTED RETAIL: \$30

VINEYARD:

Inspired by the relaxed, friendly lifestyle enjoyed throughout California's serene coastal towns, wines from our Central Coast Collection reflect the merits of the diverse growing regions that span from Santa Barbara to Monterey Counties. The wines are approachable in both price and style and exhibit a Central Coast flavor profile that is suitable to a wide variety of foods. The Central Coast Collection showcases common traits of clean fruit and regional character.

VINIFICATION:

Our Happy Canyon Cabernet Sauvignon comes from East end of Santa Ynez Valley. Due to hotter temperatures and mineral terroir, this micro-climate enables the grapes to produce concentrated flavor. Here, Bordeaux varietals thrive in the warm summer months leading up to harvest. With nightly cooling from the Pacific Ocean, our Cabernet grapes benefit from a long growing season. The wine was cellared in small Francois Freres French oak casks for an average of 10 months before bottling.

TASTING NOTES:

Our 2013 Cabernet Sauvignon is bolder than ever with black-fruit focused aromatics, a rich, velvety mouth feel balanced by a palate of juicy plum; lush and complex layers of espresso, black pepper, chocolate and black currant; pairs perfectly with steak au poivre or beef rib eye and parmesan polenta cake.

ACCOLADES:

88 Pts. *Wine Enthusiast*, December 2015
Bronze Medal, San Francisco International Wine Competition 2015
